

PRINT ON LETTER SIZE PAPER ON HOME PRINTER

Scrub pattern instructions

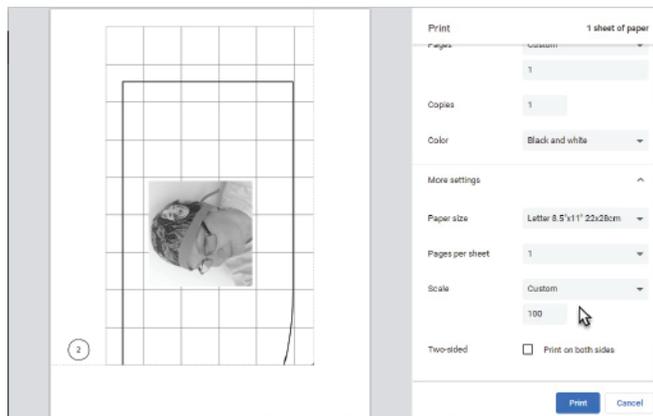

There is 6 pages in the this pdf file, please note that you have to setup the printer to print "100% scale" or "None", bellow this page is a screenshot of the printer setup dialog.

After printing you need to cut the surrounding dotted rectangle to trim off the blank margin and then you have to assemble the 4 last pages by matching the letters on the corners, the layout must be like in the pattern miniature depicted in the 2nd page.
